1. The Predeal (Stalin region) area is the center of concentrated military activity. Inside the wooded triangle formed by Busteni, Predeal, and Mount Diham many Rumanian soldiers have been observed.
2. The large, modern sanatorium, formerly directed by Dr. Cosmuta and situated three kilometers west of Predeal on the Predeal-Rasnov road, has been closed to patients for the past year. The red cross painted on the roof has been removed and a large construction yard has been erected in the vicinity. All the inns in the immediate area have been closed.
